2013 CATALOG

VOLUME I

800.537.2118

INDEPENDENTLIVING.COM

DEAR FRIENDS,

As the ila 2013 catalog was about to go to press, we will always remember that the Northeastern region of our country was inundated with the effects left behind by Hurricane Sandy. In the spirit synonomous with ila, we came together to accomplish one goal, to provide you, our customer, with the annual catalog.

Over the years, we have always developed the ila line of products to support the needs and sensitivities of our customers. We strive to remain at the forefront of this industry, and as President, I embrace the opportunity to enrich your lives for many years to come.

ILA - 35 YEARS STRONG: KEEPING LIFE MAGNIFIED, AMPLIFIED, SIMPLIFIED, AND ALWAYS IN MOTION!

With best wishes for all that you are, all that we have, and all that is yet to come,

IRWIN SCHNEIDMILL, PRESIDENT

VISION

WATCHES

ila 1-BUTTON TALKING WATCHES WITH A CHOICE OF VOICE

ila's new generation of talking watches revolutionizes the way you hear time. These new versatile 1-button models now switch back and forth from male to female voice by simply pressing a button and use only one battery for both voice and analog time display.

ila WATCH FEATURES

- press 1-button for time/date announcement
- ability to switch from male to female voice
- 1 battery controls voice and watch hand movement
- sighted assistance NOT REQUIRED due to on-board instructions
- when setting time through voice prompts, the analog face is automatically synchronized with voice
- face with casing measures: men's (1.625"), women's (1.375")
- CE & RoHS compliant
- speaks time and date with no alarms – 1-button, termed Time
- small/lady's watch face measures 1.25" in diameter
  large/man's watch face measures 1.5" in diameter
- models available with either a matching expansion band (EXP) or black leather strap (LEA)
- most lady's models are available with a beaded bracelet style band (BBD)

TRÜST RECORDING REMINDER TALKING WATCHES

TRÜST watches are elegant and classic, seamlessly integrating digital technology and precise analog timekeeping into one system. Capture phone numbers, meeting notes, conversation and medication reminders, to-do lists, etc., as well as creating alarm reminders for appointments. These 4 button watches speak the time and playback eight 20 second prerecorded personalized reminders. Each model is sold with a metal bracelet band and a black leather alternate band.
Charger with AC adapter is included.

*See page 67 for Vision Care professional products

ila magnifiers with LED light offers distortion-free acrylic, aspheric lenses. The cases are light-weight with easy-to-open battery compartments and on/off switches. LED light lasts approximately 10 years with normal use. They are so energy efficient that their batteries last 10 times longer than conventional light sources. Stand magnifiers hold the lenses at the correct focal distance from the page, ensuring optimal magnification. Pocket magnifiers are useful at home, for shopping, traveling, or working.

Combo Value Sets

We offer sets of one stand magnifier for home use, and the matching power hand-held magnifier to take "on the road."

Moshi IVR Talking Alarm Clock

A talking clock that is totally voice controlled. Once set, through voice commands only, the current time, the alarm time and sound, the sleep sound, the temperature, and even the date, can be retrieved by just asking for it. MOSHI is fully voice interactive and can be operated without ever even seeing the clock. In addition to the indoor temperature announcement in either Fahrenheit or Centigrade, the backlight of the clock is illuminated in either 5 rotating colors or just one constant color. To activate, simply say, "Hello MOSHI."

- 12 interactive voice commands that MOSHI listens and responds to
- 3 different alarm sounds; chime, chirp or bell
- sleep sounds may be played for 5 minutes (water, birds or waterfall)
- includes a night light and a "help" feature
- operates on AC/DC power (adapter INC) or uses 3 AAA batteries (NI)
- measures 7.5" x 3.25" x 4.5"
- MOSHI can also begin an inquiry by touch if set to operate in this mode

#247519 $39.95

- 3 AA batteries (NI) or AC adapter (INC)
- protective nylon cover keeps magnifier scratch free

#369264 $39.95

Lamps With OttLite® Bulbs

The inventor of this light, Dr. John Ott, calls it "the closest light to natural sunlight," in which one sees objects and colors with the least distortion. While bulbs provide shielding from cathode radiation they also produce very bright light without glare, with little heat and are energy savers. Rated to last for 10,000 hours.

OttLite LED Clip and Freestanding 3X Magnifier

Two Natural Daylight LED lights and two 3X magnifiers let you see your work up close and in true color. The magnifier can be removed from its stand and clipped to your workstation for extra convenience.

- spot magnifiers in 2 sizes
- flexible gooseneck
- converts from hands free to a clip style magnifier
- 3 AAA batteries (NI)
- maximum height: 16.625" minimum height: 2.75"

#369212 $29.95

Next Generation Perkins Brailler

The well-loved Classic Perkins Brailler® has been reimagined, retaining all the attributes that made it the most widely-used braille writer in the world, and the new features make it more portable and easier to use.

- more comfortable to use with less force required; keys are lower and easier to reach
- keystroke noise is reduced, plus the end-of-line bell is audible but muted
- easy-erase button allows you to correct mistakes while brailling
- Reading Rest feature allows for proofreading the page with ease
- front panel margin guides so you don't have to reach around the back
- paper-feed knobs are easier to hold and turn
- greener construction through the use of less oil / manufactured materials
- dimensions: 12"L x 10"W x 6"H
- fits most common size paper - 28 cells; fits up to 8.5" x 14"

#585361 $710.00

Classic or Electric Blue Perkins Brailler

The Classic Brailler represents the standard for Brailling excellence. The Electric Blue Perkins Brailler also enables Braille writing with much less force for longer periods of time.

- accommodates paper up to 14" long
- adjustable margin stops
- large paper feed knobs
- embosses 25 lines with 42 cells on standard 11" x 11.5" paper
- printed and Braille instructions, dust cover, large wooden eraser (INC)
- electric model also includes a felt pad, to reduce vibration and noise

#585360	**Classic**	**$750.00**
#277435	**Classic Electric Blue**	**995.00**

Perkins Large Cell Brailler

The Braille cell on this machine is enlarged to provide more space between the dots, allowing persons with tactile problems to read and produce Braille. Includes dust cover and wooden eraser.

#22-0114-3 $795.00

Perkins Unimanual Brailler

This machine offers the same features as other Perkins Braillers along with the ability to produce Braille with only one hand. The keys for dots 1, 2, 3 will remain in a locked position until dots 4, 5, 6 are added or until the spacebar is depressed. Extension keys for the one-handed user can also be added to a standard unit. Includes dust cover and wooden eraser.

#22-0101-1 $795.00

Intel Reader with Capture Station

The Intel Reader transforms printed text to the spoken word. It combines a high-resolution camera with the power of an Intel Atom processor. The easy-to-use point-and-shoot style lets users quickly capture and listen to printed text on-the-spot or at leisure. Easy-to-locate buttons, audio and visual navigation, and straightforward menus keep things simple. Weighing just over a pound and about the size of a paperback book, the portable Intel Reader is perfect for use in school, at home, or on the road. The Intel Reader even plays MP3s, DAISY books, and text transferred from a PC. Use the Intel Reader with the Intel Portable Capture Station (#454669) to scan, convert, and store multiple pages from a book or magazine.

- assists the blind or individuals with low vision to gain reading independence; allows users to read anytime, anyplace, anywhere
- resizes text for users with low vision
- easy to use; intuitive function does not require sight
- 2 GB storage for user data (yields 600 pages)
- compatible with audio books of various types
- rechargeable 6-cell lithium ion battery (fully charged battery plays over 4 hours of text-to-speech)
- measures 6.5" x 5.35" x 1.3"

Tranquileyes

Goggles with thermoeyes beads conveniently creates a 12-15 minute moist heat therapy to help relieve dry, red eyes or create 10 minute cold therapies to reduce puffiness. The goggle is also very comfortable for sleep, blocking all light while keeping drafts from drying the eyes at night.

The larger XR version expands coverage by 30% and offers 25 minute hot compresses or 45 minute cold compresses

The Moisture Release Eyewear incorporates an ingenious technology to help stabilize the tear film, improve visual acuity and ease symptoms of eye dryness, redness and fatigue by naturally releasing moisture for 4-6 hours when worn. Each pair of eyewear comes with two sets of replacement cartridges and a microfiber cleaning/storage bag.

#541783	TE Eye Hydrating Therapy with Beads	$49.50
#541784	XR Eye Hydrating Therapy with Beads	59.95
#541785	Moisture Release Eyewear for Dry Eye Relief	74.95

EYEJUSTERS Adjustable Readers

NEW

A revolutionary new type of glasses with self-adjustable lenses that allow the user to change the lens power at any time. They offer exceptional optical quality and a large viewing area. Clip the magnetic adjuster dial in and out any time you want to change the lens power. Each lens has two elements - by sliding one element over the other, the lens changes its power and each can be adjusted independently.

- adjustable from 0 to +4.5, allowing focus at any point from the far distance to 22cm from the eyes
- metal frames with spring hinges and nose-pads are flexible enough to adapt
- the two lens parts can be hinged apart to remove dust, dirt and water

#659220	Gray	$49.95
#659221	Red	49.95
#659222	Gold	49.95
#659223	Black	49.95

COCOONS Eyewear

Specifically designed for those who wear corrective eyewear, they transform your prescription into polarized sunglasses. Cocoons feature the scratch resistant Polaré polarized lens system, protecting you from damaging

UV light, eliminating blinding glare, resulting in enhanced visual acuity and reduced eyestrain and fatigue. With special, absorptive filters developed specifically for low-vision, visual acuity is increased. They can be worn as conventional sunglasses as well.

READING & ACCESSORIES

Eye-Pal Solo

The first, original camera-based reading and magnifying device, accurate, fast and easy to use, providing instant access to print. Enhance the Solo by connecting it to an external monitor or home TV to view items magnified.

- **responds to hand motion to activate pause/restart function**
- **portable at only 6.5 lbs. and measures 9"x11"**
- **ready to use right out of the box – no learning curve and no complicated controls**
- **supports 19 different languages**
- **a thumb drive allows you to save multiple pages in multiple formats**

#999710 $1849.00
Extra Shipping 25.00

Eye-Pal Reader

ABOVE AND BEYOND the Eye-Pal Solo, the Eye-Pal Reader offers the following:

- **auto focus camera adjusts to any font size, allowing for accurate OCR**
- **ability to read small print, ideal for those who have difficulty reading**
- **no computer or computer skills required**
- **portable at only 4.6 lbs.**

#999711 $1995.00
Extra Shipping 35.00

Eye-Pal

Faster than a flatbed scanner and weighing just 1 lb., Eye-Pal is a portable USB scanner/reader that instantly converts printed material into speech, text files or refreshable Braille. It may be used with many popular Braille displays, and easily works with a PC or Mac computer.

- **the L-shaped legs help to place the document under the camera**
- **printed material can be saved as a text file for future editing**
- **Eye-Pal's patented motion detector can scan up to 20 ppm from a bound book**
- **with a single keystroke, you can read, scan, and get the description of the page layout**
- **save printed material as text and audio files**

#999714 $1275.00
Extra Shipping 25.00

Zoom-Ex Portable Scanner/Reader/Magnifier

Zoom-Ex is the seamless integration of an instant digital scanner and a lightning fast OCR. It converts any printed text into formats such as speech, large print, audio or text files, within seconds. Works with a PC or Mac computer.

INSTANT READER: real-time page-to-speech

SMART MAGNIFIER: eliminates the need for an X-Y table; text wrapping on screen for easy reading

BOOK SCANNER/READER: a fast 20ppm scanner (allowing you to keep books bound) that provides OCR

REAL-TIME CCTV: magnifies up to 12X on a 19" monitor

- **adjust the reading speed; magnify the text up to 40X; highlights words as they are read aloud**
- **place your document in any direction, orientation of the page does not matter**
- **provides fast forward and rewind capabilities**
- **has the ability to read in foreign languages**
- **portable at 1 lb. and folds up to fit into your laptop bag**

#999715 $1775.00

Zoom-Twix Scanner/Reader/Magnifier/Flexible CCTV

Zoom-Twix takes the technology of Zoom-Ex, the seamless integration of an instant digital scanner and lightning fast OCR, and adds a zoom-able long distance camera to capture anything, at any magnification, all controlled from your laptop's keyboard.

Zoom-Twix is a still digital scanning camera that is always at the exact position needed to create a clear image. Zoom-Frog is a flexible auto-focus CCTV camera that allows you to view and save the magnified image of a blackboard and write under magnification.

Convert any printed text into multiple accessible formats such as speech, large print, sound files, or text files, in seconds.

- weighs just 2 lbs. and folds down like a tripod to travel
- folding support legs act as an alignment guide for material to be scanned

INSTANT READER: an instant book-to-speech tool provides lightning fast performance for real-time page-to-speech

SMART MAGNIFIER: eliminates the need for an X-Y table; text wrapping on screen for easy reading

BOOK SCANNER-READER: a fast 20ppm scanner (allowing you to keep books bound) that provides OCR

AUTO FOCUS FLEX CCTV CAMERA: for distance and close viewing

HOUSEHOLD PRODUCTS

SpeaksVolumz 3 Cup Talking Measuring Cup

This measuring cup SPEAKS the measurements. If you want the volume in cups, ounces, milliliters, or grams; for the weight or the density – push a button. Tare function enables you to add ingredients without emptying the cup. It is composed of three parts: detachable lid, measuring cup, and speaking base.

- push-button operation; easy-pour spout
- programmed conversion for water, oil, milk, flour, and sugar
- auto shut-off; cup only is dishwasher/microwave safe
- uses 2 AAA batteries (NI)

#756972 $69.95

Kitchenware Induction Cooktop for Safe Cooking

The induction surface does NOT heat up, only the vessel holding the food gets hot. Food heats up through electromagnetic technology using magnetic cookware to generate heat. Stainless steel and cast iron pots work perfectly. Safe and practical for anyone who is sight impaired because there is no flame or red-hot surface.

- auto shutoff; dual functions, cook and warm
- touch-sensitive LED panel with control lock
- up to 8-hour timer
- automatic pan detection

Pet Animals

Some of our favorite pets are waiting to "speak" to your child. Eye and ear-catching puzzle enhances matching and listening skills. AAA batteries (NI).

#363599 $12.95

HOW TO ORDER

Orders from individual customers must be prepaid, either by check, money order, MasterCard, VISA, American Express or Discover. Make checks payable to "Independent Living Aids".

ORDER CONFIRMATION

If you supply your e-mail address, a confirmation of your order and a tracking number will be e-mailed to you.

SHIPPING INFORMATION

Standard shipments are sent by UPS, FedEx and USPS within the Continental USA. Third day, second day or overnight delivery is available at an extra charge, depending on the weight of the shipment. Please call for pricing for Canadian and all international orders. Extra shipping charges may apply to some items, and this is indicated near the purchase price. Please add this amount to the item cost prior to adding the standard shipping and processing charges shown at the bottom of the order form.

RETURNS

If any product does not satisfy your needs, it may be returned within 90 days. Special orders are not returnable. Before returning any item, call 1.800.537.2118 to obtain a Return Mechandise Authorization (RMA). Refunds and credits are issued for the value of the merchandise, but not for the shipping and processing fee. To be acceptable for return, items must be in resellable condition and in their original manufacturer's boxes with all instructions and warranties. THE MANUFACTURER'S BOX MUST NOT HAVE STICKERS, STAMPS OR WRITING ON IT, OR A RESTOCKING AND REBOXING FEE WILL BE ASSESSED.

When a manufacturer's restocking fee is indicated next to an item, it will be deducted from the refund. Because of health department regulations, we cannot accept returns of items that have been used on or in the body, such as thermometers, ear/eye care products, manicuring aids, earbuds, etc. For a more detailed explanation of our return policy, please refer to page 109 for Healthcare and Grooming items and page 78 for Hearing Products. Opened computer software is also not returnable. For more information on our Software Return Policy, refer to page 66.

DAMAGED MERCHANDISE

If an order arrives damaged, ila must be notified within 24 hours. The product and all packaging material must be retained until the matter is resolved with the shipping carrier.

PRODUCT WARRANTIES

Unless otherwise indicated, ila warrants products for 60 days. After this period, the manufacturer's warranty applies and customers need to contact the manufacturer for repair or replacement of the item. Whenever possible, ila will assist the customer with contacting the manufacturer. Please note that warranties cover defects in workmanship and material. They do not cover breakage or damage to the product resulting from customer abuse.

NEW YORK STATE shipments are subject to sales tax, including tax on the shipping and processing fee. If you are an organization claiming tax exemption, provide a copy of your exempt organization certification, or resale certificate.

PLEASE NOTE

Independent Living Aids, LLC is not responsible for typographical errors. Prices listed in this catalog supersede all previous catalogs. After our catalogs have been printed, manufacturers sometimes change specifications or prices of products or discontinue them completely. We therefore reserve the right to change prices or substitute items of equal or higher value. These items are fully returnable if they do not meet with your satisfaction.

SOFTWARE

ila supplies many programs not presented on these pages. We have demo programs and detailed brochures for most of our computer software. We always carry the most recent voice recognition, screen magnification, screen reader and typing training versions of software. We can provide upgrades from previous versions as well as a full line of site, district and network licenses. Call our tech support department at 800-537-2118 for information and assistance.

Dragon™ Naturally Speaking® Speech Recognition Software

Talk naturally to your computer, using the included microphone, and the words appear on the screen. Fully integrated with Word Perfect and Word, Naturally Speaking commands are displayed right in the menu bar. The user can speak commands to proofread, revise and edit text or listen to and dictate e-mail. Switches between applications by telling the computer which program to open.

RESOURCES FOR VISION CARE PROFESSIONALS

Zimmerman Simulation Kit

Securely packed in a handsome attaché case, it contains lenses and funnels to use when demonstrating how a patient with a vision impairment sees. The Kit contains four welder's goggles with four acuity loss lenses (approximate simulations of 20/70, 20/200, 20/400 and 20/600), three funnels that simulate peripheral field loss (tunnel vision) of 3, 7 & 10 degrees (approximately), and other lenses that simulate macular, cataracts, retinal detachment, and hemianopsia. Also included are occluder lenses which are used to eliminate ambient light. This is an excellent resource for vision-care professionals and educators.

#454474 $299.95

ila LED Demonstration Kits

ila has assembled a kit composed of 6 hand-held magnifiers ranging in power from 8 diopter (3X) to 44 diopter (12X) that enables you to help your patients determine the power most suitable for them. You can also assemble a kit to suit specific patients needs. Display kits are specially priced and limited to one per professional setting.

Consists of: 3X, 4X, 5X, 7X, 10X and 12X Pocket Magnifiers. Batteries not included.

#907305 $174.95

Califone's Card Master Magnetic Card Recorder/Reader

- records spoken responses on cards via built-in electret mic or mic input; playback anytime
- full and half speeds

#835956	Recorder	$268.00
#835958	100 Cards	45.00

ELECTRONIC MAGNIFICATION SYSTEMS

Electronic magnification systems magnify up to 70X, have a greater field of view, and allow color optimization. Units are available as cameras only that can project enlarged images on your TV or computer monitor, desktop systems that incorporate the camera with the monitor, and small, portable hand-held self-contained units that combine the camera with a small monitor.

Eye-Pal Vision and Eye-Pal Vision Plus

A magnifier that also reads aloud. The auto-focus, zoomable camera magnifies all fine-print. Automatically determining an object's size, it adjusts itself to provide a true-to-life image and the most accurate OCR.

Magnification (CCTV) mode:
A powerful electronic magnifier up to 14X, changing contrast, color combination, and brightness of an image with a single key stroke.

Scanning/Reading mode:
The built in Scanning/Reading mode frees a person from the use of an X-Y table. When reading aloud any text, it can be displayed on a monitor or home TV. Motion detector senses when a new page is placed under the camera, and the document can be placed in any direction. Navigate through a document with hand gestures or arrow keys on the keypad.

#999712	Eye-Pal Vision	$2495.00	Extra Shipping	$35.00
#999713	Eye-Pal Vision Plus (with 22" monitor)	2595.00	Extra Shipping	45.00

HEARING PRODUCTS RETURN POLICY

Health regulations prohibit us from accepting back any items that are used on or in the body. This includes but is not limited to: eye and ear care products, creams, ointments, ear drops, headphones, earbuds and headsets. We understand that many assistive listening devices contain earbuds or headphones. If you are unsure about a specific product's return policy, please contact customer service at 800.537.2118 prior to opening a package.

TELEPHONE HEADSETS

NoiZfree® Headsets

NoiZfree products have lightweight hooks that rest next to your hearing aid and transfer sound from your cellular and cordless phone or audio source using the telecoil. This provides you with increased sound clarity and speech comprehension. NoiZfree products provide you with solutions for one or both ears. If one of your ears has normal hearing, use the NoiZfree HR model, which incorporates a hook for your hearing instrument and a standard earbud for the other ear. Enjoy conversations with crisp sound and clarity on your cellular phone or plug it in any audio device such as MP3 players, stereo systems, or TVs. Use PC-Twin for your home, work or laptop computer.

TELEPHONE AMPLIFIERS

Clarity HA40 In-Line Amplifier

Makes sounds not only louder, but also clearer and easier to understand, with up to 40 dB of amplification.

- compatible with analog, VoIP or digital phones
- one 9-volt battery (INC)
- measures 4" x 2.5" x .25"
- phone cannot be cordless or have the dial pad in the handset

#011413 $34.95

Plantronics® Amplifier for Office Phones

Use with a digital or analog phone, in the office or at home. Connect a headset, switch between headset and handset, and increase volume.

- headset/handset toggle
- increases incoming volume to 21 dB
- set outgoing volume up to 46 dB

#HED014 $129.95

Serene Strap-On Portable Phone Amplifier

This portable amplifier contains an acoustic coupler that hugs the handset speaker tightly; feedback and squealing are virtually eliminated.

- amplifies sounds to 30 dB
- straps to a standard, cordless or pay-phone handset
- 2 AAA batteries and soft carrying pouch (INC)

#812452 $29.95

ClearSounds IL95 Portable Phone Amplifier

- compatible with analog, VoIP or digital phones
- 40 dB of amplification and tone control
- connects to most home or office phones (cannot have the number pad in the handset or be cordless)
- one 9-volt battery (NI)
- measures 4" x 2.5" x 1.5"

#608504 $34.95

PT-Tools™ TA-1 Strap-On Telephone/Personal Amplifier

This portable amplifier attaches to any phone to provide an acoustic boost and can also become a personal amplifier.

- straps to the earpiece of any standard telephone handset
- boosts sound up to 30 dB
- 3.5mm output jack: connect headphones to create a personal amplifier
- uses 2 AAA batteries (INC); includes soft zipper carrying case

#PS62 $34.95

Geemarc PAMP-40™ Inline Amplifier

Simple setup and connection offers enhanced clarity for corded phone conversations.

- incoming volume amplified to 40 dB
- voice detection for auto on/off

#812610 $29.95

Serene Innovations IntelliCall Amplifiers

With High Definition Sound (HDS) these distinct amplifiers will convert most home or office telephones into an amplified phone to 45+ dB.

- works with all corded phones; digital tone enhancement boosts speech frequency
- automatic volume control optimizes sound level
- #GH106 office amplifier can be used with #H320 headset
- includes AC adaptor; one 9-volt battery (NI)

#GH104	**Home Amplifier**	**$39.95**
#GH106	**Office Amplifier**	**79.95**

FM System LP-3CV-072 by LISTEN

This system is capable of broadcasting on 3 wide-band channels. The receivers incorporate a stereo headset jack that enables user to plug in either a mono or stereo headset and listen to audio normally.

- reliable clear sound quality - 62 dB SNR
- ensures public venues meet ADA requirements
- includes stationary 3-channel FM transmitter, one 90° helical antenna (72 MHz), 4 standard 3-channel FM receivers, 4 single earbuds, 1 assistive listening notification signage kit
- extra headsets, neckloops, receivers and speakers sold separately

#TV150 $767.99

ALERTING SYSTEMS

Bellman® Visit 433 Bellman Visit is a cordless detection system that helps the deaf, hard of hearing and others to detect important signals and alarms. With Bellman Visit you will easily notice your doorbell, telephone and a crying baby. All integrated into a well-designed wireless system, Bellman Visit was developed to bring attention to and warn people of events in their natural environments. Bellman Visit means safety, flexibility and freedom! The clear alerting signals of sound, light and/or vibrations, make it easy to differentiate one call from another. With Bellman Visit, you are in control. Bellman Visit is a highly flexible system that enables you to design your own, individual solution. The various receivers and transmitters can be combined in almost any way you like. With wireless operation, Bellman Visit makes it possible to move around at home and still be alerted to calls. It is easy to take with you even when you travel!

Choose the VALUE PACK below or build your own system

All Bellman systems are wireless and required batteries are included. The operating range in an open field is approximately 100 feet (33 yards). Walls and other large objects may affect coverage. All systems allow for additions to provide for further notification and endless flexibility. This package includes a door transmitter and a telephone transmitter and offers a vibration alert as well as visual alerts with flashes and LED's.

mounts the flash receiver on a wall or corner for increased visibility.
#BEL128 $20.95

AlertMaster™ by Clarity/Ameriphone

The AlertMaster is an easily installed and maintained system that alerts you to all the sounds around your home. Choose from the Simple or Super System, and add accessories that are right for your lifestyle. A lamp can be attached to the system and flash in a unique pattern to indicate which sensor has been activated. A light on the system illuminates on the front panel as well.

I NEED TO KNOW...

If my doorbell and telephone are ringing!

AlertMaster AL11™ Visual Alert System

This basic alerting system notifies you of a ringing doorbell or telephone. An attached lamp flashes, and the front panel indicates which sensor has been activated. The lamp can be used for lighting as well as for signaling. Includes a push-button doorbell. The AL11 does not work with the Audio Alarm, Baby Monitor or Motion Sensor Accessories.

#011415 $79.95

Everything going on around my house!

AlertMaster AL10™ Visual Alert System

This wireless system is an all-in-one solution to notify you of sounds around your home. Equipped with an alarm clock and alerts for the telephone and doorbell, with optional accessories for many other uses. It alerts you with a flash of the connected lamp or the vibration of the powerful bed shaker. The front panel lights up to indicate which sensor has been activated. Use with any of the accessories below.

#835962 $179.95

I NEED TO BE NOTIFIED IN MULTIPLE ROOMS...

AlertMaster AL12™ Visual Alert Remote Receiver

For notification in additional rooms in your home, attach a lamp to this remote receiver. The front panel displays an indicator light to guide you to the source of the alert. Works with the AL11 Simple System and the AL10 Visual Alert System. You may add as many as you need. Range of 80 feet from the base unit. Lamp may also be used for lighting.

#011430 $59.95

Portable Personal Signaler

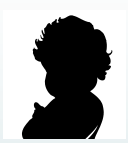
For notification wherever you are, keep a portable signaler on your belt. It will vibrate to let you know when a sensor has been triggered. Works with the AL11 and AL10 Visual Alert Systems. A distinctive vibration pattern will guide you to the source of the alert. 80 foot range.

#011428 Vibration Only $79.95

AMAX™ Audio Alarm Accessory

Attach to anything that makes a sound lasting more than 15 seconds. Adjustable sensitivity prevents false alarms. Requires one 9-volt battery (INC).

#011418 $49.95



AMBX™ Baby Monitor Accessory

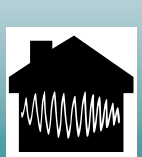
Place near your infant's crib to be alerted to cries. Adjustable sensitivity prevents false alarms. Requires one 9-volt battery (INC).

#011420 $49.95

AMDX™ Door Accessory

Place near your existing intercom or doorbell speaker to be alerted to a caller at the door. Adjustable sensitivity prevents false alarms. Requires one 9-volt battery (INC).

#011424 $49.95



AMSX™ Motion Sensor Accessory

Alerts you to any motion within a 15 square-foot area. Requires one 9-volt battery (INC).

#011432 $79.95

TINNITUS & HEARING PROTECTION

Pillow Phonic's PILLOWSONIC™ Stereo Pillow Speaker

These compact speakers enable you to benefit from white noise or tinnitus mitigation CDs. A 14-inch foam panel slides beneath your pillow, and a 65-inch long wire easily connects to an MP3, CD, TV, radio or other audio device.

#384298 2 CDs $29.95
#384312 1 CD 19.95

Sound Oasis® S-850 Travel Sound Therapy System

Combines high performance digital sounds with a travel alarm clock. Has 18 digital nature sounds, an exclusive jet-lag reduction sound and a voice memo feature and 4 alarms.

- dual time (home & away), jumbo backlit alarm clock/ calendar with buzzer or sound alarm and snooze
- 4 position timer: continuous, 30, 60, 90 min.
- memory button replays last sound
- headphone jack and travel pouch included
- 4 AA batteries (NI) for portability or AC adaptor (INC)

Hearing Aid Vacuum Cleaner by Serene Innovations

NEW

This battery powered professional vacuum cleaner removes earwax, condensation, moisture and any debris that clogs and degrades your hearing aids.

- suitable on any hearing aid equipped with sound vents
- saves on costly repair and cleaning
- replaceable suction syringes with soft tips; replaceable washable filter
- 2 AA batteries (NI)

#HA339 $49.95

Audio Dry Hearing Aid Dryer

Maximize your hearing aid's life and effectiveness by keeping it dry. Place your hearing aid in the tray, and AudioDry will remove the moisture with its gentle heating technology. Maintains safe heat throughout.

- AC powered
- wax buildup becomes brittle and easy to remove

#HA538 $34.95

Dri-Eze Hearing Aid Dehumidifier

Absorb damaging moisture to improve sound quality and extend the life of your hearing aid.

- built-in desiccant lining
- flip-top lid is easy to open and close
- no batteries, electricity or replacement parts needed
- lasts for 6 months

#HA278 $6.95

Serene Innovations® Renew Dryer and Freshener

Uses gentle dry heat to remove moisture and condensation. This dryer works to clean your hearing instruments at home or on the road.

- environmentally friendly
- UV light inhibits bacteria growth
- one-touch operation; built-in battery tester
- holds up to 2 pairs of hearing instruments
- compact/lightweight with AC adaptor (INC)

#HA539 $69.95

Super Dri Aid Kit™

Place hearing aid inside to remove harmful moisture. The drying agent lasts about 3 months before it needs to be rejuvenated. Dry it in the microwave or conventional oven.

#HA351 $16.95

Dri Aid Kit™

A drying kit big enough for any hearing aid or cochlear implant processor. Place your hearing equipment inside overnight to evaporate harmful moisture. Drying agent can be rejuvenated.

#HA87 $5.95

Dry & Store® Hearing Aid Conditioning Systems

These electric dryers conveniently store and rejuvenate hearing aids or cochlear implants overnight. They combine heat, circulating dry air and a specially-designed desiccant to absorb moisture. A UV lamp sanitizes your hearing instrument.

HA357

- 8-hour conditioning cycle with auto shut-off
- powered by AC adaptor (INC)
- desiccant should be replaced every 3 months
- Global II measures 7" x 4" x 3.5"
- Zephyr is great for travel; small (6" x 3.6" x 2.8") and lightweight (1 lb. 4 oz.)

#HA370	**Global II**	**$111.95**
#HA357	**Zephyr**	**74.95**
#HA372	**Extra Desiccant / 3 Pack**	**9.95**

Ear-Wiz™ Safety Ear Wax Remover

Instead of inserting a swab into your ear to remove wax, use this instrument. It removes the wax better and has a safety stop to prevent over insertion.

#HA592 $5.95

Siemens' Stay Dri Jar

Place your hearing aid inside to remove harmful moisture. It can be used again and again, and the drying agent may be rejuvenated by heating it in the oven.

#HA376 $7.95

Audiologist's Choice® Audio Wipes

These sanitizing wipes clean and disinfect hearing instruments. They are alcohol free, so they won't harm rubber or plastics.

#HA275	Canister (160 sheets)	$13.95
#HA276	Portapack (36 sheets)	7.00

Hearing Aid Cleaning Tools

Keep your hearing instruments free of debris and wax without risking damage to delicate internal components. The vent, wax and combination tools have a magnet in the handle to help install and remove batteries.

CORDED AMPLIFIED TELEPHONES

PowerTel 680 50 dB Amplified Corded Telephone with Integrated Answering Machine, DECT 6.0 Cordless Handset and Wireless Wrist Alert Transmitter with Emergency Button

The PowerTel 680 featuring the unique amplified corded/cordless pairing plus a cordless multipurpose alarm transmitter bracelet is a convenient solution for those with hearing loss and/or limited mobility.

In the case of an emergency, the user can activate the alarm button on the splash-proof wrist device which will dial out pre-programmed numbers at the touch of a button. Users can be notified of incoming calls through a vibration of the wrist receiver, and one can remotely answer calls by activating the speakerphone on the base of the corded unit which also has an integrated digital answering machine, talking buttons and talking caller ID.

Amplicom's PowerTel are the only amplified telephones that offer yourSOUND™, pre-programmed, multiple user profile buttons that memorize volume and tone control for more than one user.

- **5 equalizer tone settings (high/low frequencies)**
- **caller ID with 30 number recall; 200 name/number phonebook**
- **9 ringer melodies for each unit; flashing bright LED visual ringers**
- **message playback through corded or cordless unit**
- **3 languages: English, Spanish & French**
- **clock & alarm function**
- **2.5mm jack for headset or neckloop**
- **expandable up to 3 handsets**
- **PTV 100 Vibration Pad (optional)**

SmartLight by Verilux

NEW

Combining over 50 years of research to scientifically tune light to the needs of the human eye, the SmartLight is the perfect study partner.

- lamp neck extends to 26.5"
- base measures 8" x 6.25"
- height: 15"H in a 90° position, 26.5" extended

#353819 $39.95

VERILUX® has been providing Natural Spectrum® daylight since 1956. The benefits of natural daylight include bright light, excellent color rendering and contrast. The lamps are designed with electronic ballasts that ensure instant-on flicker-free light with no buzz and include a parabolic light diffuser grid that eliminates glare. Bulbs are rated to last 10,000 hours. Verilux backs the lamps with a 3-year limited warranty.

Balanced Spectrum® Lamps

Versatile and stylish lamps use a 27W compact bulb, equivalent to a 150W incandescent bulb, which shines brightly, wherever you twist the flexible gooseneck. Full-spectrum lighting makes reading glare free.

- desk model measures 16" tall; choose black or putty
- floor model measures 50" tall; black only
- both models replicate the true spectrum of natural sunlight, and natural glare free light reduces eyestrain

#369244	Floor Model	$59.95
#353841	Desk Model	49.95
#172830	Bulb	19.95

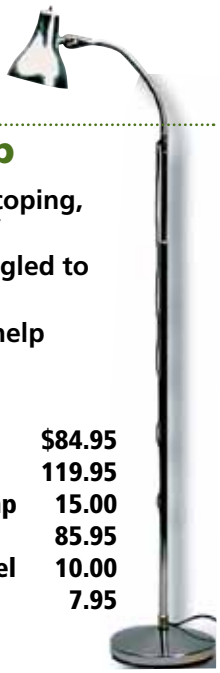
CAN-DO™ Sunlight Lamps with Flexible Arms

The 27W bulb provides natural daylight that displays colors vividly and outlines objects clearly. The illuminance rating for these lamps is 10,000 lux.

- floor lamp is 5 feet high
- desk lamp measures 26" high

#353827	Desk Lamp	$39.95
#369225	Floor Lamp	59.95
#172830	Bulb	19.95

Traditional Reading Lamp



- 12" gooseneck at the end of a telescoping, sturdy base extends from 31" to 59"
- head, gooseneck and stand can be angled to provide proper lighting

Z-Line Lamp by Enfren

Modern looking desk lamp offers high brilliant white LED lighting with glare control filters that help to reduce eye strain.

- inverter circuit reproduces natural light and prevents flickering
- soft switch for control; space saving design
- 3 flexible joints yield excellent angle adjustment

#369323 $74.95

Super Bright LED Flashlight

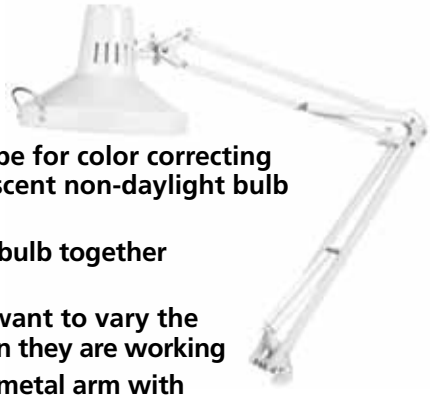
- 49 LED's can be used together or use only 12 for less light and longer battery life
- silver aluminum case with a comfortable grip
- includes belt holster
- measures 5.5" long
- uses 3 AA batteries (NI)

#447333N $24.95

CORRECT LIGHTING can significantly improve your vision and reduce eye fatigue. **STANDARD** incandescent bulbs produce heat. **FLUORESCENT** bulbs provide good lighting, are energy efficient and give off less heat. **CHROMALUX, DAYLIGHT, or FULL SPECTRUM** bulbs have been shown to improve visual acuity and contrast as well as reduce eye fatigue. They simulate daylight and are glare-free, energy efficient and longer lasting.

DAYLIGHT LAMPS

Combo Lamp



- low heat Daylight tube for color correcting light and an incandescent non-daylight bulb for warmer light
- use the tube and the bulb together or independently
- used by artists who want to vary the color of the light when they are working

#369326 $99.95

CELL PHONES

Just5 Mobile Phone with Talking Keypad

The antidote to overly-complex cell phones, the Just5 is designed for people who require just 5 basic features: ease of operation, big buttons, amplified sound, a long-lasting battery, and an emergency SOS button.

- **large easy-to-see buttons to simplify calling and texting**
- **high-volume speaker with amplified sound**
- **FM radio for convenient listening without a headset**
- **features 100 minutes of talk time* and will stay charged for up to 6 days in standby mode**

For emergency situations, users can preset up to five phone numbers for 911, family, friends, doctors, etc. When users press the emergency SOS button, the phone will text an urgent message (e.g. "I'm having an emergency, please answer") to these five numbers, then dial them in prioritized order. When dialing, the phone will sound a loud siren to attract the attention of others. Once someone answers a call, the phone automatically switches to loud speaker mode. This feature is vital if a user drops the phone after pressing the SOS button. This feature is completely FREE of monthly charges.

***This is an unlocked GSM phone that can be used with different GSM compatible carriers worldwide. PHONE REQUIRES A SIM CARD (inc) TO OPERATE.**

#813202 $89.95

Clarity PAL

- **adjustable tone control**
- **2" large, easy-to read color LCD**
- **high quality speakerphone**
- **bold, illuminated dial pad**

- 18" reach from the mounting pole and 36" swing can be achieved, and the assist bar can be locked flat against the wall when not in use'
- installs easily into wall studs; 300 lb. weight capacity

DR121 **$129.95**
Extra Shipping **40.00**

NEW

Healthcraft Superpole

A modular support system designed for those requiring assistance with standing, transferring, or moving in bed. Stylish floor-to-ceiling grab bar, provides a secure structure that can be installed in minutes between a floor and ceiling.

- quick easy installation by turning the jackscrew at bottom of pole
- foam hand grip provides a comfortable surface for those with limited hand strength
- use it beside bed, bath, toilet, chair, etc.
- custom ceiling heights available

#150787	Standard (300 lbs capacity)	$198.00
#150431	Bariatric (450lbs capacity)	347.00
	Extra Shipping	20.00

Healthcraft Advantage Rail

Floor mounted support rail promotes safe and independent standing and transfers. The key to the effectiveness is in the unique operation of the horizontal rail. The rail pivots to move with you in safe small steps providing moving support similar to a walker, yet it can lock in an instant in case of a loss of balance, need for rest, or to assist to a seated position. This locking feature (8 positions) provides excellent stability while pulling laterally for transfers. Rail is height adjustable and the bar height has 5 settings ranging from 30”-38”.

#150279	Standard (300 lb. capacity)	$264.00
#150303	Bariatric (450 lb. capacity)	377.00
	Extra Shipping	10.00

Healthcraft Superpole w/Superbar

A horizontal pivoting and locking bar that mounts to the SuperPole, for those who require moderate assistance to achieve small steps during transfers.

- unlocks and pivots freely to move with you, yet locks every 45 degrees to assist with standing and sitting
- automatically locks when released preventing forward or lateral falls
- full support when making two or three steps transfers
- more compact than a walker in small restricted areas
- can pivot in narrow areas such as between bed and wall, narrow hallways, bathrooms, etc
- weight capacity: standard model: 300 lbs. bariatric model: 450 lbs.

#150270	Standard	$272.00
#150340	Bariatric	447.00
	Extra Shipping	20.00

Healthcraft Assista Rail

The AssistaRail is an “inverted U” style bed rail for home beds, providing a unique combination of occupant safety and in-bed mobility. It is ideal for moving from a lying to sitting position in bed and at bedside. The entire rail installs in minutes with basic tools, and it simply slides between mattress and box spring. Mandatory safety strap and anti-slide grips hold rail from shifting during use. Weight capacity: 300 lbs.

#150717	$70.00
Extra Shipping	10.00

Healthcraft Toilet Roll Holder

Mounts to the PT Rail to reduce reaching, twisting, and bending for toilet paper.

#150974	$20.75
Extra Shipping	5.00

Healthcraft Bath Board

Providing a plastic seating surface to make washing safe and easy, the bath board helps when transferring in and out of bathtub. Rests sturdy across the rim of bathtub and the anti-slip friction feet adjust to fit the width of the bathtub, providing sufficient friction to stabilize the board.

- wipe with a cloth to keep bath board clean, holes in the seat allow water to drain quickly so sitting water will not collect
- removable plastic handle for added transfer support
- easily remove for storage and travel
- fits tub widths of 15”-25”; weight capacity: 330 lbs.

#150426	$65.00
Extra Shipping	10.00

Healthcraft PT Rail

This wall mounted support rail promotes safe standing and transfers. It provides rigid support on one or both sides of the toilet, and unlike vertically aligned dual rail systems, this unique offset rail design prevents wrist strain when using lower rail. The hinged model folds up to store out of the way, yet pulls down in a instant. The length is 28" or 32" from wall, and is available in 3 finishes; white gloss, chrome, or stainless steel.
Weight capacity: 400 lbs.
Specify left or right side hinged.

#150802	28" or 32" White	$214.00
#150832	28" or 32" Chrome	291.00
#150811	28" or 32" Stainless	340.00
	Extra Shipping	15.00

Healthcraft PT Rail Floor Mast

The PT Rail Floor Mast is a floor mounted column that the rail wall plate can mount to. It allows installation of the PT Rail to this floor mounted mast in situations where wall mounting of the rail is not possible or desirable.
Weight capacity: 400 lbs.

#150880	White	$198.00
#150812	Chrome	256.00
#150833	Stainless	355.00
	Extra Shipping	15.00

Healthcraft PT Rail Wall Plate

A cost effective alternative to opening walls and creating structural reinforcements prior to mounting PT Rails. Features 6 pre-drilled holes reinforced with T-Nut fasteners for ease of fastening. Wood plate is unfinished, but can be painted or stained to suit the users environment. It allows for rail to be mounted at one of three fixed widths (reverse for third location). Rail height must be determined at time of installation.

#150855	$83.00
Extra Shipping	10.00

Healthcraft Smart Rail

Innovative bed assist rail designed to help with moving, standing and transferring in and out of bed. Unlike fixed-style bed rails, the rail can unlock and pivot outwards to provide better standing support with less reaching and twisting; it actually moves with you providing dependable support. It installs by inserting the support frame between the box spring and mattress, secures with safety straps, and adjusting the rail height.
Weight capacity: 300 lbs.

#150689	$131.00
Extra Shipping	10.00

Healthcraft Easy Mount Grab Bar

Beautifully designed grab bars can be installed anywhere in the home to provide support. Grab bars are the first step in creating a safer bathroom environment. Innovative 9-hole flange allows a grab bar to be installed at varying degrees. Easy Mount provides the option to insert additional screws if required. White only.

#150224	18"	$34.00
#150221	24"	37.00
#150331	32"	42.75
#150366	36"	46.00
Extra Shipping		5.00

Healthcraft Dependa-Bar

The Dependa-Bar is a revolutionary combination of a standard wall mounted grab bar, with the well proven benefits of the SuperBar™ for movable support. Designed for bathrooms and other environments where grab bars are found. Dependa-Bar locks every 45° (5 positions), providing a support rail that moves with user. It mounts securely to structural studs behind bathtub wall of any construction. Bottom grab bar can be mounted for either left or right side applications and it can be installed in the bathtub or beside the toilet.
Weight capacity: 325 lbs.

#150318	White	$247.00
#150758	Chrome	247.00
	Extra Shipping	15.00
